GILBERT & WRIGHT

A little bit about us...

Gilbert & Wright is a uniquely different concept on the social entertainment scene, Since its inception with the first opening of Gilbert & Wright in Swords in 2007 this chic 70's retro style bar has grown from strength to strength. Malahide followed in 2008 which has attracted a broad mix of people for its informal yet intimate atmosphere

Whether you lived through the Seventies or simply appreciate the cultural aspects of that decade, the Gilbert & Wright offering will raise an eyebrow or two and bring a smile to your face! From older-style wooden floors and occasional shag-pile

carpets to free-standing lamps with their strange-shaped shades and stacked sound speakers/woofers, this is the '70s re-visited in no uncertain way.

Music icons of the era - from Blondie to Pink Floyd and Jimi Hendrix to The Doors - feature on specially commissioned wall paintings while framed album covers and platinum record awards adorn other walls. Funky chintzy wallpaper - covered in one case with ducks flying in formation! - add to the distinctive '70s feel.

2010 saw the opening of two more Gilbert & Wright bars in Dun Laoighre and Clontarf- which has taken these vibrant towns by storm. Is Dublin ready for the next one....Watch this space!!
